Dear Paul

I have been trying to contact you for the past couple of days and have left messages for you but as you have not replied I am concerned that everything is okay with you.

I just need to let you know that if you are ill for more than seven calendar days you will need to produce a doctor's certificate.

Please contact either your manager or myself as soon as possible, as should your absence continue it will be necessary to make provisions to cover your work until your return.

I do hope that all is well with you and I look forward to hearing from you soon.

Yours sincerely
